**2012-2013
School Accountability Committee**

Dear Parents and Families,

As we move into the new school year, I would like to invite you to consider an opportunity here at Putnam. State law encourages parent representatives to participate on a School Accountability Committee (SAC). *The SAC would be responsible for general oversight of the school progressing toward its school-wide goals.* This group will recommend to the principal priorities for spending school moneys and advise the school regarding the school improvement plan. The committee will meet in the media center on the 4th Thursday of the month from 3:40-5pm.

Membership of this committee will include at least 3 parents, 1 teacher, 1 Parent-Teacher Organization member, 1 community member, and the principal. An application process will be conducted to select a minimum of seven members. I invite you to consider this opportunity to serve Putnam. If you are interested in serving on this committee, please fill out the interest form below and return it to the office. If you have any questions, please call the office at 488-7700 or email Mr. Apodaca at sapodaca@psdschools.org or stop by the main office.

Thank you for you continued support and have a great school year!
Steve

Please return this portion to the office by Friday, September 4, 2012.
